Just as we clean out our closets this time of year to make way for warmer-weather clothes, now is the time to spring clean our homes, too. And with these products that not only get the job done, but are eco-friendly and smell great? Well, chores just got a little less taxing.

Prefer to mix up your own cleaners? Grab your spray bottles and fill 'em up with these make-yourself recipes:

**ALL-PURPOSE CLEANER:** Mix 2 cups water, 1 cup hydrogen peroxide and 1/4 cup lemon juice; spray on surface, wipe down with sponge or paper towel.

**STOVETOP SCRUB:** Add enough baking soda to a small bowl of warm water to make a paste; scrub surface and rinse.

**YOGA MAT CLEANER:** Mix three parts vinegar to 1 cup water, add a few drops of your favorite essential oils; spray and wipe mat with a wet cloth.

**TOILET BOWL CLEANER:** Pour 1 cup vinegar and 1 cup baking soda into the bowl; scrub as usual.
